

COVID-19 IMT

Grocery and Essentials Delivery

A collaboration with Carbon County COVID-19 IMT and these Grocery Stores

Limited grocery shopping and delivery service for people who fit into one or more of the following categories:

- persons 65 and older
- those who have significant medical conditions that place them at risk under the current COVID-19 guidelines
 - those who have tested positive for COVID-19.

This program has been established only for those in the community who are at a significant risk to contract this disease or transmit it to others.

Please call **406-445-7258**, leave your name and a phone number in the message.

You will be contacted by the shopping and delivery coordinator within 24 hours of leaving the message.

Deliveries will be made on Monday and Friday.
